

Web Linguist Partner Agency

Translation Sample Proposal

Expand Your Reach. Grow in Every Language.

Prepared for: {{ Client Name }}

Prepared by: {{ Your Agency Name }}

Date: {{ MM/DD/YYYY }}

Project Overview

We propose to localize and maintain a fully translated version of your website using **Web Linguist**, enabling {{ client company name }} to reach international customers, improve user experience, and increase conversion rates in new markets.

Scope Includes:

- Professional translation via AI + glossary sync
 - Real-time sync with your site (WordPress, Shopify, or custom)
 - Language switcher installation
 - Monthly update checks & support
 - Dashboard access for review and edits
-

-

Why Go Multilingual?

“Adding French increased conversions by 40% — we’re now expanding into 3 more markets.”

— George Sanos (eCom Founder, UK)

Your site is ready to scale. Let’s unlock the markets waiting to buy from you — in their language.
